Joliet, IL 60432

Dear Chief Executive Officer:

The annual determination for the disproportionate share hospital (DSH), Medicaid high volume (MHVA), and Medicaid percentage (MPA) adjustment programs has been finalized for rate year 2015 (October 1, 2014 through September 30, 2015).

A hospital may be eligible for all three programs (DSH, MPA and MHVA), eligible for only two programs (MPA/MHVA eligible) or ineligible for all three programs. There are two qualifying criteria for DSH eligibility, and six qualifying criteria for MPA/MHVA.

DSH, MPA and MHVA will all pay on a date of service basis not by admission date. For example if your hospital was eligible for DSH, MPA and /or MHVA for rate year 2014 (October 1, 2013 through September 30, 2014) and eligible in rate year 2015 (October 1, 2014 through September 30, 2015) and an admission crosses that period you will get different rates. If your hospital was eligible for DSH, MPA and /or MHVA for rate year 2014 (October 1, 2013 through September 30, 2014) and not eligible in rate year 2015 (October 1, 2014 through September 30, 2015) and an admission crosses that period you will only receive payment for dates of service until September 30, 2014. If your hospital was ineligible for DSH, MPA and /or MHVA for rate year 2014 (October 1, 2013 through September 30, 2014) and eligible in rate year 2015 (October 1, 2014 through September 30, 2015) and an admission crosses that period you will receive payment for dates of service October 1, 2014 and after.

The DSH, MHVA, and MPA determinations have been calculated in accordance with Section 148.120, 148.122 and Section 148.290(d) of the *89 Illinois Administrative Code*. Your hospital has been determined to be ineligible to receive payments under the DSH program for rate year 2015, but is eligible to receive payments under the MPA and MHVA programs. **Your hospital does NOT meet the minimum requirements to be considered a Disproportionate Share hospital.** Attached is a worksheet detailing the determination of your hospital's Medicaid inpatient utilization rate as well as your hospital's calculated MPA and MHVA payment rates. Please examine this worksheet carefully.

Per the provider notice dated July 30, 2014, effective with dates of service on and after October 1, 2014, the Department will no longer make MPA adjustments directly to eligible hospitals for MCO and MCCN enrollee claims. These payments will be made by the MCO's/MCCN's to the eligible hospitals for those days. MCO's and MCCN's will continue to be responsible for the payment of the MHVA payments.

It should be noted that the DSH payments will continue to be made by the Department to the hospitals and will not be included in any payments that the MCO's and MCCN's make to the eligible hospitals.

Appeals must be made in accordance with Section 148.310(b) and (f) of the *89 Illinois Administrative Code*. All appeals must be made in writing no later than THIRTY (30) DAYS FROM THE DATE OF THIS LETTER. For Rate Year 2015, appeals MUST BE SUBMITTED IN WRITING AND MUST BE RECEIVED OR POSTMARKED NO LATER THAN WEDNESDAY OCTOBER 22, 2014. The Department will NOT ACCEPT hospital logs as supporting documentation for appeals.

Direct all appeals and supporting documentation to:
